The screenshot shows a digital class page for 'Ms. R's Class'. The header features the class name and a class code. The main visual is a yellow pencil with 'Ms. Rodriguez' written on it. Below the header, there is an 'Upcoming' section indicating 'No work due soon' and a sharing area with a user icon and the text 'Share something with your class...'. On the right side of the header, there are options to 'Select theme' and 'Upload photo'.
